EXPERIENCE

Board Member

CDE Tandas Privadas - Jan 2025 – Present | Madrid, España

- Contribute to strategic business decisions, growth initiatives and long-term planning.

Project & Operations Manager

CDE Tandas Privadas - Sep 2024 – Mar 2026 | Madrid, España

- Directed the planning, commercial strategy and execution of 200+ motorsport events across Spain, coordinating race circuits, sponsors, suppliers and on-site operations.
- Increased the annual event calendar +50%, driving business growth and expanding the customer base.
- Managed budgeting, pricing strategy and financial viability for events, supporting key business decisions.
- Negotiated commercial agreements with major racing circuits across Spain, defining event calendars and commercial conditions.
- Secured strategic sponsorship agreements with leading automotive brands, increasing event value and strengthening brand positioning.
- Coordinated a core team of 3 employees and 8-12 event staff, ensuring seamless execution in fast-paced environments.
- Achieved 100% occupancy in over 80% of events.
- Grew the company's social media community by 12,000 organic followers in one year, without paid advertising.
- Automated key operational workflows, improving efficiency, scalability and cost control.

E-commerce & Digital Operations Specialist

Accesorios Todoterreno SLNE - Feb 2022 – Aug 2024 | Madrid, España

- Managed and optimized an e-commerce catalogue of 15,000+ products using WordPress.
- Led restructuring of the online store, redesigning categories, filters and product pages to improve user experience and navigation.
- Executed SEO strategies that significantly increased organic visibility, website traffic and online revenue.
- Improved website conversion rate through UX optimization, content organization and customer journey enhancements.
- Coordinated warehouse operations and order fulfillment processes to ensure efficient logistics and customer satisfaction.
- Managed email marketing campaigns and monitored website performance using Google Analytics and Google Search Console.
- Automated internal processes, improving operational efficiency and supporting business scalability.
- Worked directly with the company owner to define digital strategy, operational improvements and business priorities.

E-commerce & Digital Marketing Consultant

Freelance - Jun 2019 - Jun 2021

- Designed and developed custom e-commerce websites using Shopify and WordPress.
- Implemented SEO strategies, optimized Google Ads and Meta Ads campaigns.
- Managed end-to-end digital marketing projects, from website creation to customer acquisition.
